

A ONE AND A HALF DAY SYMPOSIUM ON INTERNATIONAL COMMERCIAL ARBITRATION

Four Seasons Hotel, Beirut, Lebanon 15-16 April 2011

***Hosted by the LCIA Arab Users' Council and
the DIFC-LCIA Arbitration Centre and supported by
the Lebanese Arbitration Centre***

INTRODUCTION AND CONFERENCE FORMAT

An effective system of arbitration, whether pursuant to commercial contracts or investment treaties, has long been recognised as a vital element in the promotion of trade, foreign investment and, ultimately, international relations.

Panels of eminent and experienced international arbitration practitioners will give brief presentations on some of the most important areas of international commercial arbitration, critical to establishing and maintaining an arbitration-friendly environment, in which the international business community may have confidence.

This symposium is designed to be interactive and, following the introductory remarks, delegates are encouraged to participate in a free-flowing discussion of the issues raised and to debate topics of their own, which they will be asked to submit in advance.

The delegate registration fee is from US\$300, and covers the conference working sessions, reception and dinner on Friday 15 April; symposium documentation; all coffee/tea breaks and the two lunches.

WHO SHOULD ATTEND?

Arbitrators, in-house counsel, practitioners, academics and members of the local and international business community interested in, and affected by, current developments and best practice in the field of international arbitration.
